

SPONSORSHIP OFFER

Warsaw, October 2024

XIII International Scientific Conference on:

DEVELOPMENT TRENDS IN SPACE PROPULSION SYSTEMS

5th-6th December 2024

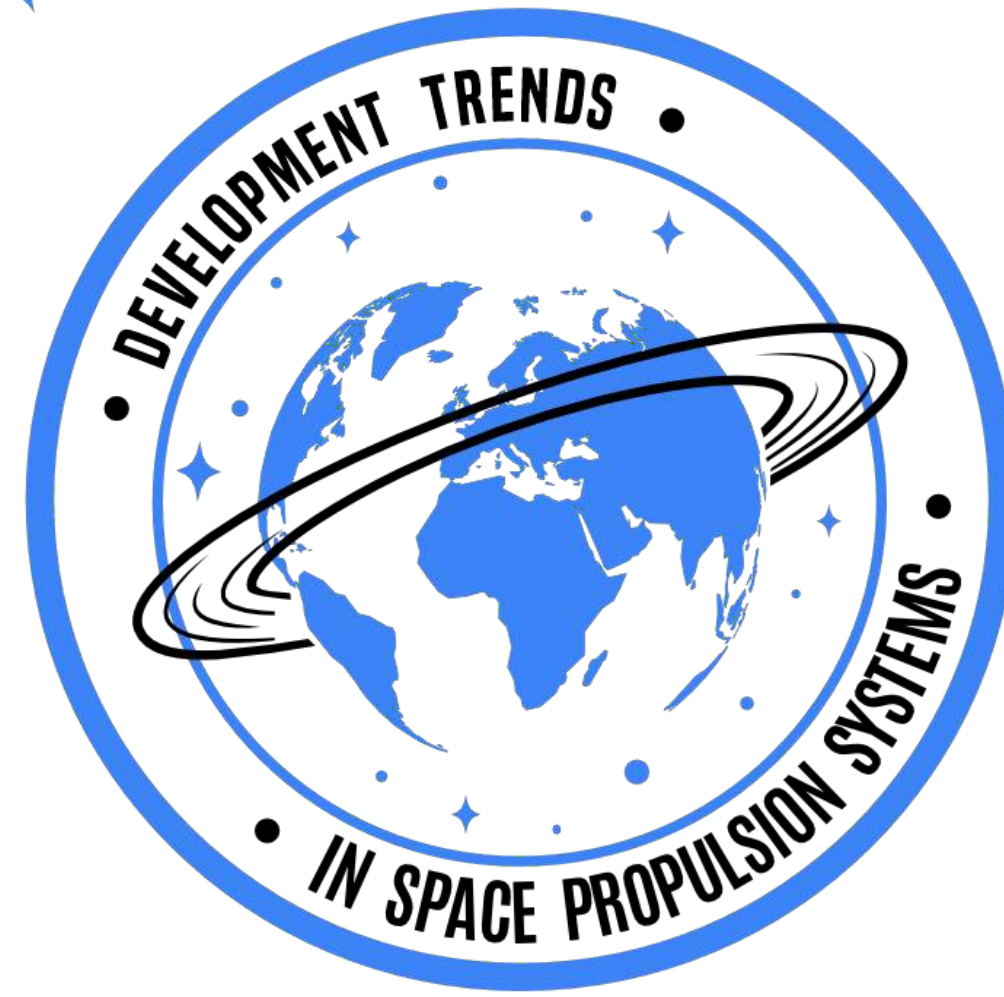

International Space Propulsion Conference

- An introduction

We would like to invite you to join us for the 13th International Conference "Development Trends in Space Propulsion Systems". One of the largest events in the world, which brings together and integrates the scientific and research community, business, academia and public administration around the topic of space propulsion. During the Conference, foreign and national speakers will present the latest developments and international projects in both components and entire propulsion systems.

The conference will take place on 5-6 December 2024 (Thursday-Friday) in the auditorium of the Research Network Łukasiewicz - Institute of Aviation, al. Krakowska 110/114 in Warsaw.

The conference is organised by the Łukasiewicz Research Network - Institute of Aviation Institute of Thermal Engineering, Warsaw University of Technology. In previous years, the event was held under the patronage of: Polish Space Agency, Space and Satellite Research Committee of the Polish Academy of Sciences, Association of Polish Space Sector Professionals and Space Sector Employers Association.

XIII International Scientific Conference on:

DEVELOPMENT TRENDS IN SPACE PROPULSION SYSTEMS

5th-6th December 2024

International Space Propulsion Conference

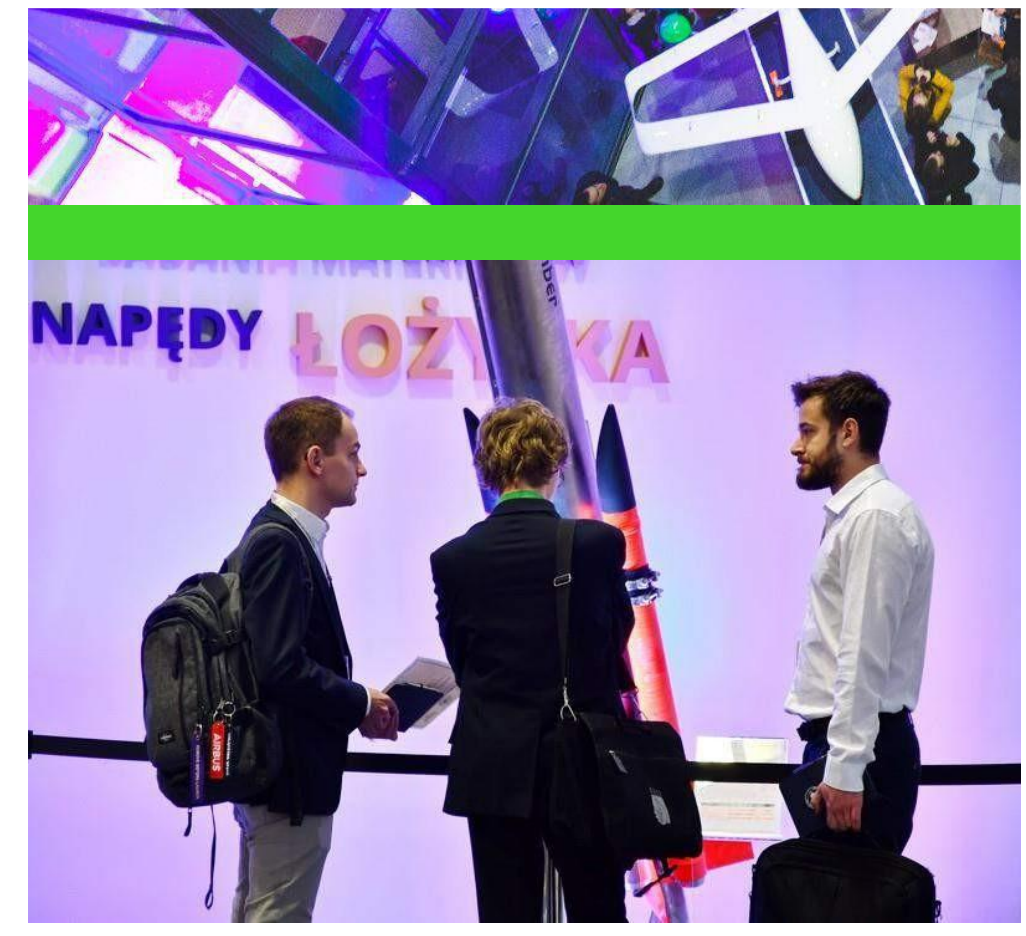

- Key points

This year's conference will feature international speakers who will address the following points:

- space propulsion systems (including solid rocket engines, liquid and hybrid propellants, space electric propulsion, components and systems analysis),
- green propellants (including development, safe use, testing and operation of environmentally friendly propulsion systems),
- numerical modelling of rocket engines,
- propulsion systems for suborbital and orbital vehicles, small satellites, large satellite platforms and exploration missions,
- rocket motor test facilities and laboratories, assembly, integration and verification of rocket and satellite propulsion test infrastructures,
- other topics related to the design, development or applications of space propulsion systems

Take a look at our sponsorship packages

PLATINUM PACKAGE: 14000 PLN (with VAT)

scope of benefits

At the conference:

- possibility for a representative of the Sponsor to present a paper (up to 15 min.) - the topic and content to be consulted with the event organiser
- reading out the name of the sponsor during the opening ceremony
- 6 conference invitations at the sponsor's disposal

 - a statement from the Sponsor's representative in the Conference summary video
 - factual commentary by the Sponsor's expert in the Conference press release
 - factual commentary by the Sponsor's expert in the summary of the Conference
 - the identification of the Sponsor's profile in the Institute's social media announcements about the conference
 - Sponsor's logo on all printed materials (conference materials, information posters)
 - Sponsor's logo on the conference website, incl. the Sponsor's link, and on e-invitations
 - the possibility of using the title of official conference partner for your own marketing campaigns
 - the possibility of publishing a scientific article (after positive reviews) in the international peer-reviewed journal "Transactions on Aerospace Research"
<https://sciendo.com/pl/journal/tar>.
-

GOLD PACKAGE: 11000 PLN (with VAT)

scope of benefits

At the conference

- reading out the name of the Sponsor during the opening ceremony
- 4 conference invitations available to Sponsor
- Sponsor's promotional material in the hand-outs
- setting up the Sponsor's backdrop in the Conference Room - max. 3
- 4 invitations to the gala dinner for the Sponsor
- providing exhibition space (up to 3 m²) for the Sponsor's stand in the lobby of the building where the conference will be held

Promotion of the event

- a statement by a representative of the Sponsor in the video preview of the Conference
 - a statement from the Sponsor's representative in the Conference summary video
 - Comment by the Sponsor's expert in the Conference press release
 - a statement by the Sponsor's expert at the conclusion of the Conference
 - the identification of the Sponsor's profile in the Institute's social media announcements about the conference
 - Sponsor's logo on all printed materials (conference materials, information posters)
 - Sponsor's logo on the conference website, incl. the Sponsor's link, and on e-invitations
 - the possibility of using the title of official conference partner for your own marketing campaigns
 - the possibility of publishing a scientific article (after positive reviews) in the international peer-reviewed journal "Transactions on Aerospace Research"
<https://sciendo.com/pl/journal/tar>.
-

SILVER PACKAGE: 9000 PLN (with VAT)

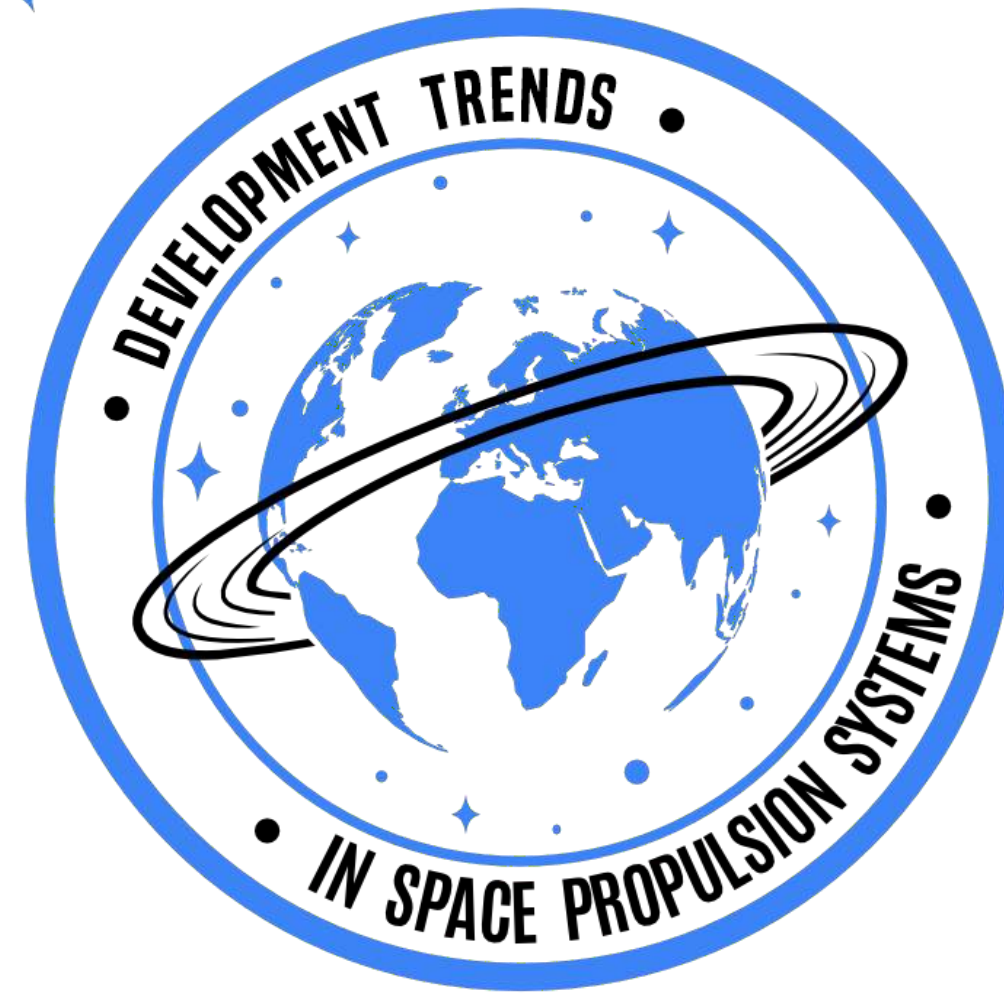

scope of benefits

At the conference

- reading out the name of the Sponsor during the opening ceremony
- 2 invitations available to the Sponsor
- setting up of the Sponsor's roll-up in the Conference Room
- 2 invitations to the gala dinner for the Sponsor
- providing exhibition space (up to 3 m²) for the Sponsor's stand in the lobby of the building where the conference will be held

Promotion of the event
